To Whom It May Concern,

I am writing this letter in strong support of Staff Professional, with whom The Bingo Ranch has had the privilege of working together for nearly 13 years.

Throughout our long professional relationship, Staff Professional has consistently demonstrated an unwavering commitment to the success and integrity of the Texas bingo industry—particularly in their tireless efforts to ensure that charitable organizations have the best possible opportunity to succeed. Their work is driven by a genuine passion for helping charities maximize their impact while operating within the regulatory framework of Texas bingo.

Staff Professional is widely respected across the industry for their experience, knowledge, and professionalism. They have been doing this work for many years, and their reputation reflects not only their expertise, but also their integrity and dedication. They approach every relationship with fairness, transparency, and a clear focus on long-term success.

Based on our extensive experience working with them, I am confident that any individual, organization, or business that chooses to work with Staff Professional will not regret that decision. They are an asset to the industry and a trusted advocate for the charities they serve.

Sincerely,
Nigel Carter
